Dear Friends of Kuemper,

Thank you! We want to say thank you to the many individuals that make Kuemper the great place it is. Our theme this year, *"A Knight on the Red Carpet"* showcases our amazing teachers, staff, students and school. We have been blessed to work with many of these people while we were Ball Chairs and this is why we chose to honor them tonight.

When we started this adventure, none of us knew how many volunteers and behind the scene workers it took to make the Ball a successful event. We want to say thank you! From parish-chairs, to business and professional chairs, to people who made phone calls and picked up donations, we could not have done it without all of you. You set great examples for our students. They see what volunteering and dedication looks like so they may follow in your footsteps, wherever their journey leads them.

To our community and ever generous donors, thank you. We have been amazed with the donations, raffle prizes, in-kind donations and services that are provided in support of Kuemper. Over and over we are reminded how willing our community is to give to our wonderful school and we are proud to say Kuemper gives back to the community. When the funds are distributed, it is with careful consideration and thought as to what will benefit our students and Kuemper family the most. We are grateful that our own children (11 current students and 2 future Knights) have the opportunity to attend a school where faith and education are valued so highly by the community and Kuemper supporters.

Thank you to the past ball chairs for your willingness to offer help, advice and support. We thank you for making the Ball the success it is today. We worked diligently to continue in your footsteps and make the ball a success. Thank you to our new chair couples. We are excited for you to begin this adventure and are thankful for your willingness to give back to Kuemper. To Alayna, thank you for your help and guidance. We appreciate it very much!

We want you to have a great time celebrating our school, teachers and staff. Have a wonderful night and enjoy what you have helped us accomplish! Special thanks to the decorators, Mark & Barb Hoffman, Ryan & Steph Isgrig, Daryl & Kris Quandt, and Scott & Amy Volquartsen. Thanks to the Carrollton for the facilities and food. Thank you to our entertainment; including the Al Welsh Orchestra, the Kuemper band, and Scott Masching for DJ-ing.

It has been a great honor to give back to Kuemper and we thank all who helped. Have a wonderful evening and thank you for sharing it with us.

Dear Friends in Christ,

Welcome to our Annual Kuemper Ball, with the hope you enjoy our hospitality with *"A Knight On The Red Carpet"*! We are blessed with your presence here tonight and continued support of our Kuemper Catholic Schools. As our theme for this year's ball indicates, may you enjoy an evening of entertainment, friendship, and most importantly, a spirit of gratitude for the continued dignity and presence of faith within our Kuemper Catholic School family.

On behalf of all the pastors and priests, I want to extend my gratitude to the parishes, parishioners, alumni and friends who so generously support the Kuemper family. As in the past, we are grateful for the guidance, hope and sacrifices willingly offered by this year's chairpersons: Brett & Annie Greve, Jeff & Jayme Kock, Jeromy & Lisa Sommerfeld, Ryan & Trish Tigges.

Working alongside the chairpersons, I recognize the constant support Alayna Hansen has offered, bringing forth her spirit of dedication and love of her alma mater-Kuemper Catholic Schools. As I get older, I realize the impact of the teachers, administrators and staff within the lives of the students and their families. One of Kuemper's long tenured teachers instructed me forty-plus years ago. Thank you to the teachers, administrators, staff, coaches—those who day in and day out place their hopes and confidence in the lives and ambitions of the students within their care.

During this *"Knight On The Red Carpet"* may we recognize the gift of our Christian faith and the blessings upon our Kuemper Catholic Schools, all of which flow from the hand of God. And we are blessed with the guidance of our Catholic-Christian faith, the sacrifices and generosity of many, and the presence of hope we carry into the future as the Kuemper Family. Thank you for your presence here tonight, your generosity and trusting in God's providence as we continue to share in the gift of Kuemper Catholic Schools.

Enjoy *"A Knight On The Red Carpet"*!

Fr. Tim Johnson

Current KCSS Academic Performance

2015-2016 Iowa Assessments

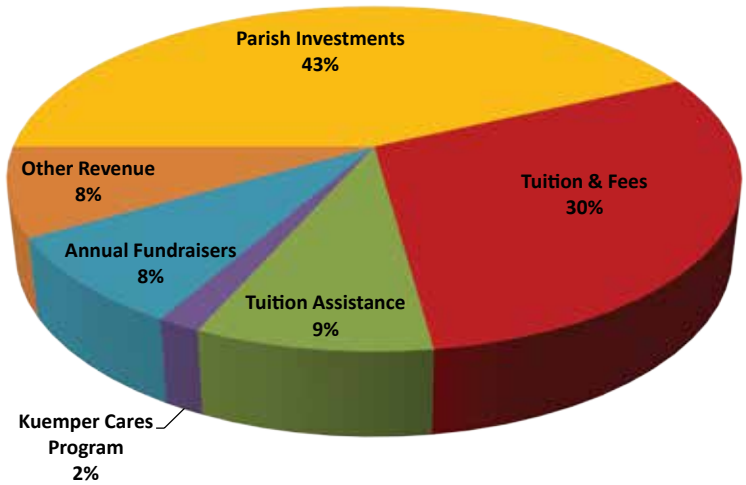

Beginning with the 2011-2012 academic year, the Iowa Assessments replaced the ITBS and ITED as the standardized tests that were administered statewide. At this same time, KCSS began fall testing at all grade levels, per diocesan policy.

Based on percentages listed below, academic goals for the current school year were set by the School Improvement Advisory Committee and approved by the Board of Education.

Percent Proficient

Grade	Reading		Math		Science	
	Kuemper	Iowa	Kuemper	Iowa	Kuemper	Iowa
3	92%	77%	95%	80%	96%	82%
4	91%	76%	95%	79%	96%	85%
