A Prayer for Parents

Lord, we give thanks for the parents of each of our athletes. Those who drive us to practices and games, those who cheer us on, those who are there for us in victory and defeat. Bless these parents with joy and grant them the grace to fulfill their role. We pray that all parents may be instrumental in creating a positive culture for sports in our communities. Bless also those children who are without a father or mother to cheer them on, that they may know the love of teammates, coaches and spectators.

We ask for the intercession of the Holy Family in all our sports families, that their example of faith and love may be an example that guides us as we learn and grow as parents and children. Amen.
